Content can travel beyond the existing follower base

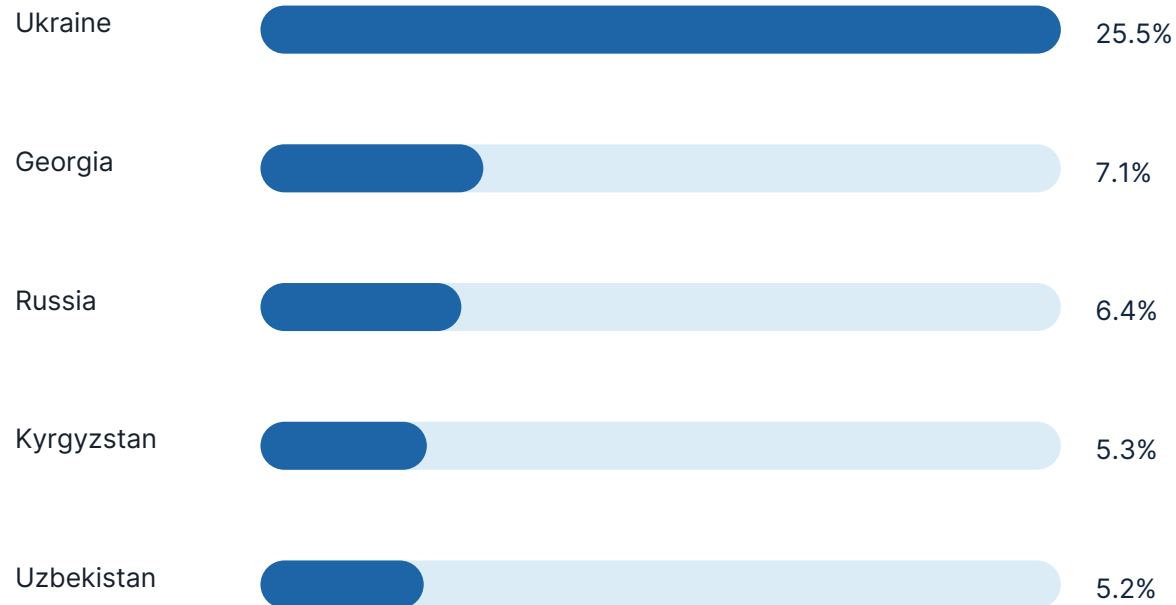

The page combines an established audience with strong discovery through Facebook recommendations.

Figures describe the stated 28-day reporting period. Individual publication results vary.

AUDIENCE

International Russian-speaking community

Drivers, car owners and people interested in practical driving content

59.7%

aged 35 to 54

29.9%

aged 55 and above

49.5% women

50.5% men

Audience shares are based on lifetime page data.

Advertising formats

We can adapt the format to the partner's materials, goals and budget.

1

Sponsored post

A ready-made banner and text, or a post prepared from partner materials.

2

Short video

A supplied video or an original edit based on partner materials.

3

Integrated content

A useful driving or car-related topic featuring the partner's product or service.

After publication, we can provide performance statistics and use a dedicated link or promo code.
